German Colonialism In A Global

"German Colonialism in a Global Age is a thoughtful and innovative collection of essays that should be of interest to any scholar of modern Germany. The themes and questions raised by the contributors would also make the individual essays excellent discussion pieces for advanced undergraduate and graduate level courses on the history of modern Germany and imperialism."

Duke University Press - German Colonialism in a Global Age

While most studies of European colonialism tend to focus on the British and French empires, German colonialism in the late-nineteenth and early-twentieth centuries had a significant impact not only on German colonies, but also on German society itself. In German Colonialism in a Global Age, a number of scholars assess German colonialism during the Bismarckian and Wilhelmine eras (1871–1918) and how colonial mentalities and practices shaped later histories during the Nazi era.

While most studies of European colonialism tend to focus on the British and French empires, German colonialism in the late 19th and early 20th centuries had a significant impact not only on German colonies, but also on German society itself. In this book, a number of scholars assess German colonialism during the Bismarckian and Wilhelmine eras (1871–1918) and how colonial mentalities and practices shaped later histories during the Nazi era.

Book Review: German Colonialism in a Global Age | EUROPP

German colonialism is a thriving field of study. From North America to Japan, within Germany, Austria and Switzerland, scholars are increasingly applying post-colonial questions and methods to the study of Germany and its culture.

1) German Colonialism in a Global Age read and download ...

Contributors then examine a range of topics, from science and the colonial state to the disciplinary constructions of Africans as colonial subjects for German administrative control. They consider the influence of imperialism on German society and culture via the mass-marketing of imperial imagery; conceptions of racial superiority in German pedagogy; and the influence of colonialism on German ...

Duke University Press - German Colonialism in a Global Age

The same could be said of the study of German colonialism, which more often than not finds itself applied to fields of global history, transnational history, gender studies, the history of the Third Reich and the holocaust and is rarely put to its own specific purpose. The concept of German colonialism is, for many, a marginal phenomenon.

German colonial empire - Wikipedia

The German Empire, its structure, its dynamic development between 1871 and 1918, and its legacy, have been the focus of lively international debate that is showing signs of further intensification...

German Colonialism in a Global Age by Bradley Naranch ...

The dynamics of German colonialism extended not only to Europe but also into the world, far beyond the 'protectorates' and overseas possessions. The formally acquired territorial colonial empire was not a separate sphere that can be understood in isolation from the increasing integration of the world – integration caused by capitalist structures, imperialist intervention, cultural exchange, and migratory flows.
