And all of us (or almost all of us, as far as I know) will say: "Oh that's one less thing to worry about." Germs, words, and things are all countable, so it should be "fewer germs," "500 words or fewer," and "one fewer thing to worry about," but that's not what we say. In some cases, it just may feel more correct to us to use "less" than "fewer" even with countable nouns.
