The Ori /'ɔːraɪ/ are fictional characters in the science fiction television series Stargate SG-1. They are a group of "ascended" beings who use their advanced technology and knowledge of the universe to attempt to trick non-ascended humans into worshipping them as gods. They first appeared in the ninth season of Stargate SG-1, replacing the Goa'uld as the show's primary antagonists. While the Goa'uld relied on stolen technology from other civilizations to pose as gods, the Ori also have ...

With Coburn's men guarding the Stargate, SG-1 and additional men from the S.G.C. trek the three hours to the dig site where Daniel was taken. With Teal'c tracking the Unas, they proceed - but are unable to contact SG-11 by radio. Daniel continues to try and communicate with his captor, and learns that his name is (probably) Chaka. The beast is startled to hear Jackson say his own name.
