List of issues West European Politics

Europa Science Ltd, part of Europa Science Group, began trading in 2003 with the acquisition of Electro Optics and Scientific Computing World. Further spin-out titles followed, beginning with Research Information and Imaging and Machine Vision Europe in late 2003, and Laser Systems Europe in 2008, coinciding with the first Lasys event.

About Us - Europa Science

West European Politics has established itself as the foremost journal for the comparative analysis of European political institutions, politics and public policy. Its comprehensive scope, which includes the European Union, makes it essential reading for both academics and political practitioners.

West European Politics - Book Series - Routledge & CRC Press

West European Politics is a peer-reviewed academic journal of comparative politics focusing on Western Europe. It was established in 1978 and serves as one of the main publication venues in that field. Its founding editors-in-chief were Vincent Wright and Gordon Smith; the current editors are Klaus Goetz, Anand Menon and Wolfgang C. Müller. According to the Journal Citation Reports, the journal has a 2015 impact factor of 1.464, ranking it 36th out of 163 journals in the category "Political ...

West European Politics - Wikipedia

Abstract: The way communities generate and manage their waste plays an absolutely key role in their ability to use resources efficiently. While making European economy more resource efficient and circular requires a large spectrum of actions, a huge potential for saving resources lays in improving waste management at local level in Europe. On the basis of an in-depth analysis of the actions implemented by frontrunner organisations in the waste management sector, this report describes a set ...
