Whiteout - definition of whiteout by The Free Dictionary

Whiteout, white-out, or milky weather is a weather condition in which the contours and landmarks in a snow-covered zone become almost indistinguishable. It could be also applied when visibility and contours are greatly reduced by sand. The horizon disappears from view while the sky and landscape appear featureless, leaving no points of visual reference by which to navigate; there is absence of ...

### Whiteout (2009) - Rotten Tomatoes

"Whiteout" is a well-written and well-researched book. Helpfully, the authors end each chapter with an annotated guide to further reading on the subject. "Whiteout" is not pleasant reading; I could only take so much at a time before having to put it aside for the day. But it is necessary reading.
